

Show Testimonials 2010 - The Magic Faraway Tree

Congratulations. With this show, you've provided the children/dancers with some truly wonderful experiences and a huge set of life-long **happy** memories. It was all such a joy to watch (I went through two hankies I was crying so much!).

We would like to congratulate you for putting together an absolutely wonderful show last night. We thoroughly enjoyed every minute of the performance - well done to you and your staff, may you go from strength to strength for many years. Awesome!!!!

...I would like to say thank you for all your hard work in delivering such a professional show. (My daughter) thoroughly enjoyed the experience and is eager to do it again! My husband and I watched the Magic Faraway Tree last night and were very impressed with the entire show. Well done to you and all your helpers.

Thank you so much for a wonderful production today. It was just wonderful. (My daughter) has just had an amazing experience doing this and I thought she would crash when she got home, but oh no, she is currently doing ballet all around the house - she loved it. I thought all the students were just fantastic. Thanks again All the hard work has definitely paid off and it is just so clear how much the students just love you and their teachers!

As a family that is new to dance we were extremely impressed with the smooth running and forward thinking of each aspect of the organisation. (My daughter) had a great time in ballet and tap and although she was tired never really complained. It was evident on stage and off that the older performers are expected to nurture and care for the younger ones which is such a great quality. Thank you for all of your hard work, time and effort and to all the teachers involved. (My daughter) will remember this forever.

I am quite sure that by now your inbox is full of messages! I just wanted to say congratulations on the show, it was beautiful! Everyone seemed to have a great time too! Enjoy the next few days...

We just wanted to congratulate you on the 'Magic Faraway Tree' being such a success. (My daughter) really enjoyed being a part of the show and we have greatly enjoyed watching the performances. Thank you!

Wow great show - amazing effort by all -very professional

What a wonderful production and exhausting but totally worthwhile couple of weeks! I noticed (my daughter) is still dancing around at home last night and happened to catch her attempting some Irish dancing in front of her mirror! Once again, warmest congratulations to you and your team.

Congratulations on a fantastic show. The Magic Faraway Tree was one of my favourite books when I was little and it really did have the flavour of the original characters. I really loved how Moonface turned into a leprechaun for the Irish dance.

Firstly, I would like to congratulate you and your team for a wonderful production. Me and my husband enjoyed it. The hardwork pays off. It is a great success!!!

Congratulations on a great concert on Friday night. I loved the variety of items and costumes, and adored the Irish touch. There were several things that made it a classy concert. Having an integrated theme was a great idea, and the children seemed to be very happy. The quality of the recordings made a tremendous difference this year...

Thank you so much for such a wonderful show! It was incredible.

Firstly thanks for such a great show - the kids absolutely loved it and are still dancing around the house. We also loved it too.... well done!

I just want to say thanks to you and everyone involved in putting on such a great show. My daughter loved the experience and we enjoyed watching her and everyone in it...Well done!!!

First of all, congratulations to a very successful production. The show was enjoyed by all, (my daughter) thoroughly enjoyed herself. I think the fact that most children have read or know the story made it easier to put themselves into the characters. One girl, whom I did make-up for, said she hadn't read the book, but really had the urge now to read it. So the show also inspired children. Thank you so much.

The concert was wonderful and (my daughter) had a great time and so did I helping dress the lovely little stars.

Congratulations on a GREAT show. My parents and I agree - it was one of the best shows we have seen! It was also fantastic, and possibly for the very the first time, that we saw (my daughter) looking so relaxed and enjoying herself as she danced.

Congratulations on a fabulous show! Your hard work certainly payed off. Family and friends were amazed at the level of skill all the children at the school showed and how the story and production was put together. I still had family on the phone last night expressing their delight with the show (and of course my daughter's performance).

Thank you for a wonderful performance of Faraway Tree - our family thought it was excellent. I had no idea there were so many dancers in the school!!! (My daughter) enjoyed the experience and was very professional and quite grown up about all of the rehearsals and performances. I loved the inclusion of rock and contemporary music - something for everyone!.

Firstly let me just say how blown away I was by the production last week! It was my first experience of a 'real' show, and while it terrified me to start by the end it was amazing. The people I met who explained what I needed to do as a dresser were so lovely and you staff are so very caring of the children. I am so pleased to read that we will be doing it again in 2011!

I just wanted to say what a fantastic show everyone put on. I was so impressed with the professionalism, the high standard of dancing, the costumes, choreography, sets etc and the fact that all students were included. Thank you so much for including the little ones in the show, I know that it would have been a lot easier - especially back stage - to not include the 4, 5, and 6 year olds. I have a little pre schooler and she had a fantastic time and was very sad when the final show was over and can't wait to be able to dance on the big stage again.

Congratulation on the success of last week's performance! It was the best performance by my daughter's ballet schools I have ever seen.

We went to see the show on Friday night and all thought it was absolutely fantastic, (my daughter) loved every second and we thought it was a very professional performance by all the students.

Thank you for all the work that went into such a wonderful concert – it was such a delight to watch it. It was also a very real pleasure to watch the enthusiasm and enjoyment that my children got from participating.

Thank you to all for such a wonderful performance – (my daughter) enjoyed the experience immensely.

First of all I would like to offer my congratulations on a wonderful performance. My daughter has done 2 other end of year performances and I just have to say that this one was the most enjoyable one to watch. A big thank you to you for all of your hard work and organising. I was very proud watching my daughter on stage and I could certainly see how much her dancing has improved over the year.

Thank You!

I would like to personally thank you for the wonderful experience my whole family had with the show. I've never been involved in anything like that before and it was quite an intense experience, but a truly rewarding one. Congratulations and well done, you must be very proud! :-)

I'd just like to say a hearty thank you for your dedication and passion!! It's been wonderful to see my daughter's enthusiasm and growth during her short time here. I thoroughly enjoyed the performance, thought you all did an amazing job and got very good feedback from family who also went to see the performance.

Firstly a big congratulations on the success of the show. I speak for all of my family on how impressed we were with the whole performance. Your commitment and passion shows through all that you do. (My daughter) enjoyed herself immensely as did I helping backstage and I'm glad we made the decision to move ballet schools, and look forward to the next performance.

A very belated but nonetheless enormous CONGRATULATIONS on the splendid success of 'The Magic Faraway Tree'. It was a wonderful production, all the more so because it was so inclusive of all the many age and dance groups...

Firstly, congratulations on the show, it was spectacular, you should be very proud. We had three very teary grandparents all bursting with pride watching my daughter in the show, as were her parents. Thank you again for providing this fabulous opportunity and memory. We were all quite blown away by the skill level of the students at the school - quite amazing :) Congratulations to your teaching staff.

Can I start by saying that the performance last Friday night was marvellous. The girls and boys looked beautiful and danced magnificently. You must be very proud of them all.

Dear Miss Lorraine, we have never met, but we came to the production of The Magic Faraway Tree on Friday night. I just wanted to say how thrilled my husband and I were with the production. It was professional and disciplined. We were not bored for a moment. The variety of dancing held our interest and there was a sweet spirit of co-operation. Congratulations to your whole team, it's people like you who enrich our community.
